Subject: Widespread Publicity of the **MANAS** Portal (ncbmanas.gov.in) and National Narcotics Toll-Free Helpline '1933' across Schools, Colleges, and Higher Educational Institutions in West Bengal.

Sir,

I am writing to draw your urgent attention towards an important national initiative aimed at combating narcotic substance abuse and maintaining drug-free educational environments across West Bengal. As part of the Government of India's 'Zero Tolerance' Policy against drug abuse, the Narcotics Control Bureau (NCB), Ministry of Home Affairs, has established the MANAS (Madak Padarth Nishedh Aasuchna Kendra) portal and its associated 24x7 toll-free National Narcotics Helpline '1933'. The Ministry of Home Affairs (MHA), Government of India & Narcotics Control Bureau (NCB) have issued a Circular directing for wide spread publicity of the MANAS Portal and National Narcotics Helpline -1933 implementation.

2. The MANAS portal (ncbmanas.gov.in) serves as a unified digital platform enabling students, youth, educators, parents, and citizens to report drug-related offenses—such as illicit trafficking, peddling near campuses, illegal storage, and cultivation—while guaranteeing absolute anonymity and strict citizen confidentiality. Furthermore, the portal and the 1933 helpline provide immediate medical guidance, mental health support, and rehabilitation assistance to individuals affected by substance use disorders.

3. Youth and students in schools, colleges, and universities remain particularly vulnerable to the menace of narcotics. Therefore, the proactive involvement of the Department of School Education and the Department of Higher Education is essential to build awareness, deter drug peddlers, and offer timely intervention and psychological support.

4. In accordance with national advisories and regulatory guidelines (including those issued by UGC and CBSE), it is requested that comprehensive circulars/instructions be issued to all government, government-aided, private schools, colleges, and universities in the state to execute the following actionable measures:

A. Prominent Physical Signage & Displays: All educational institutions must prominently display official banners, posters, and notice boards featuring the National Narcotics Helpline '1933' (MANAS) at high-visibility locations such as main entrance gates, reception areas, common notice boards, counselor rooms, libraries, ICT labs, and student hostels.

B. Integration into Academic Routines & Publications: Institutions should regularly announce helpline details and drug abuse prevention guidelines during morning assemblies, student orientation programs, and parent-teacher meetings (PTMs). In addition, helpline details and portal links must be printed in official student handbooks, institutional prospectuses, and recurring newsletters.

C. Digital Integration & Web Portals: All institutional websites, student portals, and learning management systems should host permanent banners and official QR codes linking directly to the MANAS portal (ncbmanas.gov.in) and the UMANG mobile app for seamless access to anonymous reporting and counseling services.

D. Awareness Drives & IEC Screening: Schools and colleges should conduct regular Information, Education, and Communication (IEC) campaigns, anti-drug pledges, and screen authorized life-skills/wellness videos during student wellness periods and extracurricular activities.

Summary of Official MANAS Reporting & Support Channels:

Channel / Platform	Official Contact Details & Scope
24x7 Toll-Free National Helpline	1933 (Anonymous reporting, tips & counseling)
Official Web Portal	ncbmanas.gov.in
Official Email Submission	info.ncbmanas@gov.in
Mobile Application Access	UMANG Mobile App (Search: MANAS)

5. The Anti-Narcotics Task Force (ANTF), West Bengal, stands ready to assist your departments and educational institutions with operational support, and swift police response on actionable inputs. Wide dissemination of the MANAS portal and 1933 helpline will play a transformative role in shielding our student community from substance abuse and ensuring safe, healthy learning environment. Your personal intervention and prompt administrative action in this regard shall be deeply appreciated.

With warm regards.
